☐ **FOR UNITS UNDER "mechanic/parts specials" THERE IS NO WARRENTY, IMPLIED OR OTHERWISE YOU WILL PAY ALL COSTS FOR ANY REPAIRS.** The dealer assumes no responsibility for any repairs regardless of any oral statements about the vehicle.

☐ **FOR STANDARD PRE-OWNED UNITS:** all have been inspected and all fluids, filters have been assessed, changed and/or deemed acceptable. Wearing and safety parts have been inspected and deemed acceptable by a certified mechanic. In the event of a major mechanical failure, the dealership provides a 15-day from date of delivery and up to a $1,250.00 total credit (includes dealer cost parts + upto 6-hours retail labor max @ $120/hr). Cosmetic, tires, CV boots, brakes, batteries, filters, shocks, nor electronics shall be covered. Any damage due to misuse, improper use or including jumpstarts, racing or aggressive abuse or customer modifications shall not be covered. Customers are responsible for bringing units back or pre-pay $3/loaded mile fee.

For units under 1-year old from date of original purchase, an original factory warranty may still be in effect from the manufacturer. RideWorks is not an authorized facility to honor or service such warranties and units would need to be taken to a branded facility to make such claims if applicable.

Units under 5-years old may be eligible for an EXTENDED SERVICE CONTRACT through TORQUE for an additional cost. These contracts must be made at time of purchase with RideWorks.
